

About

Welcome to Green Valley. We offer an old style traditional golf course.

Green Valley Country Club, conveniently located in the hills two miles west of Clermont, is known for excellent greens, lovely vistas, superior year-round conditions and its vintage Lloyd Clifton design. In addition, Green Valley boasts a full practice facility (range, putting green, practice hole) and a charming onsite restaurant, the Clear Lake Bar and Grill.

A 6,645-yard (new Black Tees 7003 yards), par-72 championship layout that plays longer than its yardage, the course offers a wonderful mix of challenges and opportunities for the smart player. All facets of your game will be tested as you play these 18 dynamic holes. We offer five sets of tees to match your game and suggest that you avoid the blue and black tees unless your handicap index is 7.0 or less!
